Re: Harry's Nurses Registry Inc.

Dear Hon. Joel L. Blumenfield JSC,

I have been an employee of Harry's Nurses Registry Inc. for the past five years and have had truly great experiences with the agency. Harry's Nurses Registry Inc. has kept me effectively employed with several clients. The agency's support and their regularly scheduled training programs have been invaluable to my career, and I have never found cause to express any complaints with any terms of my employment. Therefore, I kindly ask that you be lenient in your sentencing or any other decision you make, as it would impact the employment and lives of so many dedicated and passionate workers.

Sincerely,

Callista Rene
