

CLINTON BUSH HAITI FUND

March 30, 2010

Mr. Harry Dorvilier

Dear Mr. Dorvilier:

On behalf of President Clinton, President Bush, and our neighbors in Haiti, thank you for your donation to the Clinton Bush Haiti Fund.

The earthquake that struck Haiti in January killed and injured a devastating number of people. Port-Au-Prince, their capital city, and much of the island nation were reduced to ruins. In spite of the great loss of life and lack of food, water, and shelter, the people of Haiti are resolute -- devoted to protecting the vulnerable as well as rebuilding their homes, schools, and offices.

We have been inspired by the American people's commitment to assisting the Haitian people during this time of great suffering. We are dedicated to making the most of your kindness. Every dollar donated to the Clinton Bush Haiti Fund will go directly toward saving lives and building back a stronger country.

As we work to expand our immediate relief efforts into long-term goals, we encourage you to stay engaged. Please continue to visit our website at www.clintonbushhaitifund.org for updates and to make additional contributions to this urgent cause. Thank you again for your compassion and generosity.

Sincerely,
