Re: People V. Dorvilier, Indictment No. 1709-2010

Dear Justice Blumenfeld:

My Name is Elizabeth Brus and have been employed at Harry's Nurses Registry for the most of 10 years. It is an excellent agency, we service Homebound patients. We care for adults and Children.

During my years at the agency, Mr. Harry Dorvilier has always been a fair, responsible employer. Always ready to help those in need, he is well liked and respected by all.

Sincerely

A handwritten signature in cursive script that reads "Elizabeth Brus".
