Re: People V, Harry Dorvilier and Harry's Nurses Registry, Inc.  
Indictment # 1709/2010

Dear Justice Blumenfeld:

I write in regards to Harry Dorvilier and Harry's Nurses Registry, Inc. I have known Mr. Harry Dorvilier for over five years. Through the Nurses Registry, Harry has employed a large group of nurses, several of which were witnesses in the captioned matter. Please be advised that the services provided have been helpful to the community.

While I do not condone Mr. Dorvilier's behavior especially in this circumstance, I humbly request that the job opportunities that were offered to his employees be noted. It is also my understanding that he had made full restitution on this matter. Further, this nurses registry is primarily designed for low income patients who might not otherwise be able to afford nursing services.

Therefore, in light of the above, I respectfully request your full consideration in this matter.

Sincerely

  
John L. Sampson, Esq.
