Dear Judge Blemenfeld:

I have been receiving care for my son Matthew, through Harry's Nurses' Registry for about two years. I find this agency to be professional, compassionate, and reliable.

They have provided me with an exceptional nurse and Matthew is very attached to her. My son has Down Syndrome and he has renamed the nurse Dora the Explorer, his favorite TV character. Matthew is flourishing from her love and expertise. It would be devastating if we lost her now. Harry's Nurses' assisted me in getting Matthew into the Education System, they have been very helpful to us.

Sir, I ask on behalf of myself, my family, my son's nurse, as well as the community, that you be lenient with Mr. Harry, He is an asset to us all. Thank you so much for your valuable time.

Respectfully,
