People Vs Dorvilier Inditment

Dear Honorable Jael L. Blumenfeld JSC,

I, Kim Bakaralli LPN, have been employed at Harry's Homecare Agency from July 2010-present. I have worked for one other agency but "Harry's Homecare Agency" is one of the very best, adequate days and hours is always provided for their employees to work, the patients and family members (of the cases I am assigned to) are very pleased and are appreciative of the services provided from "Harry's Agency". Mr. Dorvilier treats his employees with dignity and respect and exercises professionalism to the highest degree as an employer. I am asking leniency for Mr. Dorvilier during sentencing.

Sincerely yours,
KIM A. BAKARALLI LPN
