Attention: Deborah Harry

Honorable Judge L. Blumenthal J.S.C

This is a letter of support for Harry Lowilier. My name is Deborah Calkoun and I have been employed with Mr Harry for more than twenty years I have been with my present patient for nine years. we are happy with the agency and its care.

I understand Mr. Harry has been found guilty. I am hoping his punishment is not severe. I understand the seriousness of his charges.

I am asking you to consider this letter of support when determining his punishment. My patient has a trach on a vent and feeding tube we hope we wont have to find another agency for care.

Thank you
Deborah Calkoun
