Mr. Yves Descorbeth
15 Church Street
Great Neck NY, 11023

To Whom It May Concern:

In regards to the reasoning behind the case drawn against Mr. Harry, it does not erase or amount to his many years of hard work in the community. I have worked for Mr. Harry for over 10 years and he has yet to ever fail payment of my checks and not once ever handed me a check that has ever cancelled. This just proves him a man of his word and his absence in the agency would have more consequence as a whole than reward. As a father, his absence would take a huge toll on my family and most importantly my children that depend on my paycheck in order eat, go to school, and more. Therefore with all humility, please grant him with the most leniency as possible. He is a good man. Thank you in advance.

Sincerely,

Yves Descorbeth
