

As far as our investigator can tell, Ms. Gayle has quite possibly returned to New York State. (See the attached).

Our investigator checked Immigration and Customs Enforcement's Detainee Locator database, <https://locator.ice.gov/odls/homePage.do> and did not find any information on Ms. Gayle. The investigator also called Immigration and the representative who answered also ran a search but didn't find anyone matching Ms. Gayle's name or date of birth.

Though Ms. Gayle renewed her nursing license in Georgia in 2015, **she also has filed for bankruptcy 5 times, the latest in NY in 2012.** The investigator ran a search on the name and the SSN and got the same information.
