DEBRA HARRY, residing at 172-43 Highland Avenue, Jamaica NY 11432, being duly sworn
depose and says:

1. I have read the Affidavit of Roselyn Isigi dated October 17, 2017.
2. The Affidavit is filled with falsehoods and misrepresentations.
3. First, I never said to Roselyn Isigi that Mr. Dorvilier was disappointed and that she
“didn’t have to put money in the Jew’s pocket.”
4. I never said such a thing, and never would say such a thing.
5. I also never said that anything Ms. Isigi did would result in an “investigation” and that
there was a possibility that she would lose her license and her job.
6. These are complete fabrications.
7. I also never said to Roslyn Isigi that there is no place you can sue and still work to Ms.
Isisgi.
8. These fabrications are hurtful as I work closely with individuals of the Jewish Faith and
have great relationships with everyone.
9. These allegations are inconsistent with what I believe in.
10. I also remember discussing with Roselyn Isigi the Gayle case in 2009 and speaking with
her about Gayle and other nurses suing for overtime payment they said they were owed.

11. Ms. Gayle knew about the case but continued working for Harry's Nurses Registry and chose not to sue with the other nurses.

12. I am prepared to testify to all of this and have not received any payment for this affidavit.
