

1 trip.

2 5. I spent the entire weekend with Michael Jackson. We  
3 went on jet skis in a small lake he had, saw the animals that he  
4 kept at Neverland, played video games and went on golf cart  
5 rides. One evening he took Lily and me to Toys 'R Us and we were  
6 allowed to get anything we wanted. Although the store was  
7 closed, it was opened just for our visit.

8 6. In late March 1993, my mother, Lily and I went to Las  
9 Vegas as a guest of Michael Jackson. We flew on a private  
10 airplane. We stayed at a large suite at the Mirage Hotel. My  
11 mother and Lily shared a bedroom. We stayed at the Mirage Hotel  
12 about a week. One night Michael Jackson and I watched the  
13 Exorcist in Michael Jackson's bedroom. When the movie was over,  
14 I was scared. Michael Jackson suggested that I spend the night  
15 with him, which I did. Although we slept in the same bed there  
16 was no physical contact.

17 7. From that time, whenever Michael Jackson and I were  
18 together we slept in the same bed. We spent two or three  
19 additional nights in the same bed at Las Vegas. Again, there was  
20 no physical contact.

21 8. After I returned from the Las Vegas trip, my friendship  
22 with Michael Jackson became much closer. My mother, Lily and I  
23 started making frequent trips to Neverland. At Neverland I would  
24 always sleep in bed with Michael Jackson. I also slept in bed  
25 with Michael Jackson at my house and at hotels in New York,  
26 Florida and Europe. We were together until our relationship  
27 ended in July 1993. During our relationship Michael Jackson had  
28 sexual contact with me on many occasions.

9. Physical contact between Michael Jackson and myself

1 increased gradually. The first step was to reply Michael Jackson  
2 hugging me. The next step was for him to give me a brief kiss on  
3 the cheek. He then started kissing me on the lips, first briefly  
4 and then for a longer period of time. He would kiss me while we  
5 were in bed together.

6 10. The next step was when Michael Jackson put his tongue  
7 in my mouth. I told him I did not like that. Michael Jackson  
8 started crying. He said there was nothing wrong with it. He  
9 said that just because most people believe something is wrong,  
10 doesn't make it so.

11 11. Michael Jackson told me that another of his young  
12 friends would kiss him with an open mouth and would let Michael  
13 Jackson put his tongue in his mouth. Michael Jackson said that I  
14 did not love him as much as this other friend.

15 12. The next step was when Michael Jackson rubbed up  
16 against me in bed. The next step was when we would lie on top of  
17 each other with erections.

18 13. During May of 1993, my mother, Lily and I went with  
19 Michael Jackson to Monaco in Europe. Michael Jackson and I both  
20 had colds so we stayed in the room all day while my mother and  
21 Lily were out. That's when the whole thing really got out of  
22 hand. We took a bath together. This was the first time that we  
23 had seen each other naked. Michael Jackson named certain of his  
24 children friends that masturbated in front of him.

25 14. Michael Jackson then masturbated in front of me. He  
26 told me that when I was ready, he would do it for me. While we  
27 were in bed, Michael Jackson put his hand underneath my  
28 underpants. He then masturbated me to a climax. After that

Michael Jackson masturbated me many times both with his hand and with his mouth.

15. Michael Jackson had me suck one nipple and twist the other nipple while Michael Jackson masturbated. On one occasion when Michael Jackson and I were in bed together Michael Jackson grabbed my buttock and kissed me while he put his tongue in my ear. I told him I didn't like that. Michael Jackson started to cry.

16. Michael Jackson told me that I should not tell anyone what had happened. He said this was a secret.

17. My relationship with Michael Jackson ended when my father obtained custody of me in July 1993 and I started living permanently at my father's house.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on December 28, 1993, at Santa Monica, California.
