Re: *People v. Harry Dorvilier*
Queens County Ind. No. # 1709/10

Dear Mr. Dorvilier,

The CIU has conducted a preliminary review of your submission. This review included meeting with you and Ms. Simmons and examining the papers provided from both the Queens County prosecution and the related federal civil action. Based on this review, the CIU has determined that your claim is not appropriate for CIU reinvestigation. Accordingly, the CIU will take no further action in reviewing your matter.

Please note that this decision only pertains to your submission to the CIU and has no bearing on any other legal proceeding regarding your case.

Sincerely,

Bryce Benjet
Director, Conviction Integrity Unit
